Total Satisfaction Guarantee Form

YES – I want to join the Florida Motorcycle Dealers Association and receive compliance manuals to help me run my dealership more effectively, get the most current legislative updates so I can plan my business around the new legal changes, and receive a listing in the FMDA membership directory.

I understand that my membership is completely protected by FMDA's Total Satisfaction Guarantee. I can "test drive" all of the benefits for 12 full months. If I don't decide that these membership benefits save me money and bring me more customers, or if I'm not satisfied for any reason, with a quick letter I can get a refund of every cent I have paid.

On that basis, here is my membership:

FMDA Membership

\$500

Includes compliance manuals to help ensure you know the law and can position your business for success. You also receive the most current legislative updates. Plus, we work with the manufacturers so they cannot "water down" your protections under the franchise law.
